TYPE: Industrial / Renovation

Term: 30 Year

Status: Closed

Bayview PACE closes \$15.4 million in C-PACE financing for key upgrades to the 732,742 square-foot Ocala Distribution Center, located in Ocala FL.

Case Breakdown

The Dilemma

The Sponsor was seeking funding to renovate a large industrial building prior to leasing space to tenants. Much of the renovation budget was C-PACE eligible. Bayview's C-PACE financing was the most accretive option available to fund renovations for the property.

The Solution

Bayview structured a \$15.4MM C-PACE financing to fund improvements such as: roofing, electrical, LED lighting, docks, and doors. The financing will encompass all the improvements that the Sponsor needs complete to lease up the property.

The Results

Bayview structured a financing that allows the Sponsor to quickly renovate the property. The Bayview C-PACE financing was closed in less than a month and work is already underway.

"This kind of project is exactly what the C-PACE programs were designed to accomplish. Bayview's financing provided a cost-effective way to rehabilitate this property to achieve its full potential."
Jeff Klar, VP Bayview PACE
