SUMMARY

Award-winning senior marketing leader with 10+ years of experience owning marketing strategy, budgets, and execution across digital, content, brand, and PR — with deep expertise in commercial real estate and structured finance. Helped scale a lending platform from \$103M to over \$1B in cumulative financing volume through data-driven campaigns, investor-ready collateral, and executive thought leadership. A rare strategist-designer hybrid: takes campaigns from positioning and messaging through finished creative — brand systems, pitch decks, and digital content — without outside agencies. Skilled at translating complex financial concepts into clear, compelling narratives, and an early adopter of AI-driven marketing workflows and automation.

EXPERIENCE

Chasen Designs — Remote

Founder & Senior Marketing Director 2014 – 2022

- Founded and led an independent marketing consultancy serving clients in commercial real estate, media, and professional services
- Defined marketing strategy, visual identity, and digital presence for clients — from initial positioning through creative execution
- Directed PR and communications initiatives, crafting narratives and external-facing content that strengthened client credibility in their markets
- Oversaw creative direction and project teams, delivering brand systems, collateral, presentations, and digital content while maintaining quality and brand integrity

Independent practice paused 2022–2026 while serving in a full-time role at Bayview Asset Management.

Bayview Asset Management — Remote

Marketing Manager, Bayview PACE (subsidiary of BAM) 2022 – 2026

- Developed and led all marketing initiatives for a commercial lending platform that scaled from \$103M in 2022 to over \$1B in cumulative financing volume by early 2026
- Directed brand strategy through a major platform integration as Bayview PACE became a division of Bayview Commercial Mortgage Finance, ensuring seamless market alignment
- Owned and optimized the full marketing budget, allocating spend across channels to maximize ROI and campaign performance
- Created all investor-ready collateral — case studies, pitch decks, deal announcements, and sponsor-facing materials — in partnership with senior leadership, originations, and underwriting
- Led PR and external communications strategy: press releases, deal announcements, industry media outreach, and executive thought leadership
- Analyzed performance across organic, direct, referral, email, and social channels to optimize digital strategy and improve acquisition efficiency
- Owned website content strategy so the digital experience reflected the company's growth, credibility, and evolving market position
- Partnered with internal AI teams to automate and enhance marketing workflows and processes

Marcus & Millichap Commercial Real Estate — La Jolla, CA

Marketing Coordinator 2017 – 2018

- Developed investor presentations, offering memoranda, and marketing packages supporting commercial real estate sales
- Produced in-house marketing materials using proprietary internal software and maintained the office Marketing Center

- Coordinated events, client symposiums, recruiting events, sales contests, advertising, and public relations

Fox 5 San Diego — San Diego, CA

Freelance Graphic Artist 2009 – 2015

- Created broadcast news graphics and animations for morning and evening shows; on-call designer for special projects supporting the art director

MGN Online — Cardiff, CA

Graphic Journalist 2011 – 2014

- Designed daily news content for print and broadcast stock libraries; in-house designer, photographer, and app/web content developer

Platt College — San Diego, CA

Instructor — Digital Publishing & Portfolio 2008 – 2009

- Taught Digital Publishing and Portfolio courses, developing and delivering lectures and applied coursework
