SUMMARY

Senior marketing and go-to-market leader specializing in brand positioning, product marketing, market development, digital strategy, and business growth. Proven track record of building marketing functions from the ground up, translating complex products and technical solutions into compelling value propositions, and developing data-driven go-to-market strategies that strengthen market positioning and accelerate growth. Experienced in strategic business development, market intelligence, competitive research, and pipeline development, with a results-driven approach to expanding market presence, generating opportunities, and advancing business objectives.

EXPERIENCE

Julie Chasen Consulting , Remote — February 2026 – Present

Marketing & Business Development Consultant

- Advise organizations on marketing strategy, go-to-market planning, brand positioning, and business development
- Build marketing infrastructure, digital experiences, and lead generation solutions aligned with client growth objectives
- Develop thought leadership, content strategies, and marketing initiatives to strengthen brand visibility and generate demand
- Leverage AI tools and workflow automation to improve research efficiency, marketing operations, and business development processes

Bayview Asset Management , Remote — 2022 – 2026

Marketing Manager, Bayview PACE (subsidiary of BAM)

- Developed and led all marketing initiatives for a C-PACE lending platform that scaled from $103 million in 2022 to over $1 billion in cumulative financing volume by early 2026
- Led brand strategy and marketing alignment through a major business reorganization, ensuring consistent market positioning and continuity of marketing initiatives.
- Directed marketing budget allocation, channel strategy, and vendor relationships to optimize campaign performance and return on investment.
- Developed investor-ready and sponsor-facing collateral, including pitch decks, case studies, deal announcements, and financing materials in partnership with senior leadership, originations, and underwriting.
- Led public relations, external communications, industry media outreach, and executive thought leadership to strengthen brand visibility and market credibility.
- Directed website content and digital marketing strategy, leveraging analytics across organic, direct, referral, email, and social channels to increase audience engagement and acquisition efficiency.
- Partnered with internal AI teams to identify opportunities and define requirements for automating marketing workflows and improving operational efficiency.

Julie Chasen , Remote — 2018 – 2022

Freelance Marketing Director

- Founded and led an independent marketing consultancy serving clients across a range of industries
- Defined marketing strategy, visual identity, and digital presence for clients, from initial positioning through creative execution
- Directed PR and communications initiatives, crafting narratives and external-facing content that strengthened client credibility in their markets
- Oversaw creative direction and project teams, delivering brand systems, collateral, presentations, and digital content while maintaining quality and brand integrity

Marcus & Millichap Commercial Real Estate , La Jolla, CA 2017 – 2018

Marketing Coordinator

- Developed investor presentations, offering memoranda, and marketing packages supporting commercial real estate sales
- Produced in-house marketing materials using proprietary internal software and maintained the office marketing center
- Coordinated events, client symposiums, recruiting events, sales contests, advertising, and public relations

Fox 5 San Diego , San Diego, CA 2009 – 2015

Freelance Graphic Artist

- Created broadcast news graphics and animations for morning and evening shows; on-call designer for special projects supporting the art director

MGN Online , Cardiff, CA 2011 – 2014

Graphic Journalist

- Designed daily news content for print and broadcast stock libraries; in-house designer, photographer, and app/web content developer

Platt College , San Diego, CA 2008 – 2009

Instructor, Digital Publishing & Portfolio

- Taught Digital Publishing and Portfolio courses, developing and delivering lectures and applied coursework
