EXPERIENCE

Bayview Asset Management — Remote

Marketing Manager — Bayview PACE (subsidiary of BAM) | 2022 – 2026

- Developed and led marketing initiatives for a lending platform that scaled from \$102 million in 2022 to over \$1 billion in cumulative financing volume by early 2026
- Directed website content strategy, ensuring the digital experience reflected the company's growth, credibility, and evolving market position
- Analyzed multi-channel performance (organic, direct, referral, email, and social) to optimize digital marketing strategy and improve acquisition efficiency
- Developed all investor-ready marketing collateral — case studies, pitch decks, deal announcements, and sponsor-facing materials
- Led public relations and external communications strategy, including press releases, deal announcements, industry media outreach, and thought leadership content
- Partnered with senior leadership, originations, and underwriting teams to translate financing structures into clear, compelling brand and communications narratives
- Directed brand strategy during a major platform integration, ensuring seamless alignment as Bayview PACE became a division of Bayview Commercial Mortgage Finance
- Partnered with internal AI teams to enhance marketing processes
- Partnered cross-functionally with internal teams across the organization to align marketing initiatives with broader business objectives and support strategic growth goals
- Managed and optimized marketing budget to maximize ROI and campaign performance
